

Door Mirror Cover

ドアミラーカバー

Set up Guide

1. Temporarily fit the product to the vehicle and mark the installation position with masking tape or similar.
2. Thoroughly degrease the mounting surface of the vehicle. Partially peel off the release paper from the double-sided tape shown in figure 1 , fold it outwards, and temporarily attach it to the vehicle. While checking the overall balance, peel off the remaining release paper and press firmly into place.
