Product Back Side

■ = Included double-sided tape

Fig. 2

※ The figure is the right side. Perform the same procedure on the left side.

Installation Procedure

1. Clean the vehicle mounting surface and temporarily secure the product using masking tape to check the installation position.
2. After thoroughly degreasing the vehicle mounting surface, peel off a small part of the release paper of the ■ double-sided tape shown in Fig. 1, fold it outward, temporarily attach the product to the vehicle, and check the overall balance before firmly pressing it to adhere.

■ Cautions

※ After unpacking, please check that all accessories are present and undamaged.
※ This product is made of ABS / AES molded plastic. Applying excessive force may cause damage, so please do not do so. Please note that damage caused by such force will not be covered under warranty.
※ This product may require some modification due to vehicle and product tolerances, so please be sure to check the installation compatibility. Please protect the vehicle and product with tape to prevent scratches, etc.
※ Please be aware that we cannot accept any responsibility for malfunctions or accidents caused by improper processing, assembly, or misuse of this product.
※ After installing this product, do not subject it to impact or get it wet (e.g., car washing) for 24 hours.
※ The bolts and screws used to attach various parts may loosen over time, so please check them occasionally.
※ We cannot accept returns after installation.

■ Important Notes Before Painting

※ Always perform a fitting check before painting.
※ Due to the manufacturing process, burrs and voids may inevitably occur in the product. Please remove them during the painting and surface preparation stage.
※ Please be sure to use urethane-based paint specifically for dry resins. Also, please allow the painting may at room temperature. Heat drying may cause warping or deformation of the Parthework, wiase understand that we cannot accept any claims regarding the paintwork.
※ We cannot accept returns after painting or installation.
